By completing the EAP items on the English and mathematics California Standards Tests, you may be able to do the following:

- Skip the required CSU English and/or mathematics placement tests
- Identify the need for additional preparation to succeed at the CSU
- Adjust your senior-year coursework to prepare for the CSU
- Stop wasting your time and money in college remediation courses that do not count toward a bachelor's degree

GET OFF TO A GOOD START

Improving your math and English skills is one of the most important things you can do to get ready for the California State University.

PLAN FOR SUCCESS

Many students need to take the Entry Level Mathematics (ELM) Exam and the English Placement Test (EPT) to avoid enrolling in non-credit remediation courses at the CSU. The time to begin preparing for these exams is now.

WHAT DO YOU NEED TO DO?
